

OAKGROVE

INTEGRATED COLLEGE

POST 16 PATHWAYS

POST 16 PROVISION @ OAKGROVE 2024

It is recognised that Year 12 students are entering a very important stage in their careers. Some students may have clear ideas about their future, while others may not. Here at Oakgrove we hope that all students aspire to a 7 year journey as part of the Oakgrove family.

Here in Oakgrove we base our post 16 curriculum around student needs. We aim to find creative ways to meet their aspirations and offer a wide and diverse curriculum that offers 'traditional' GCEs and vocational options. Oakgrove is a part of the Foyle Learning Community which aims to make more subjects available to all students. Transport is provided for students and the cost is met by Oakgrove.

It is essential that all students (and their parents) who apply for admission or readmission to the college in Year 13 are in agreement with and committed to the aims and philosophy of Integrated Education where we endeavor to:

- ✓ *Provide students with the necessary knowledge, skills and experiences to develop their full potential and prepare them for the adult world while promoting the view that education is a worthwhile life-long process.*
- ✓ *Develop in each student a sense of responsibility, self-confidence and self-worth.*
- ✓ *Promote a caring community in which everyone is considerate, courteous and cooperative.*

OUR AIM IS THAT STUDENTS LEAVE WITH A CLEAR SET OF MORAL VALUES ON WHICH TO BASE THEIR LIVES; WE SUPPORT AND CHALLENGE THEM TO BE THE LEADERS OF TOMORROW.
