## INTEGRATED COLLEGE

### POST 16 PATHWAYS

## POST 16 PROVISION @ OAKGROVE 2025

At Oakgrove, we understand that Year 12 marks a pivotal point in a student's educational journey. Whether you already have a clear vision for your future or are still exploring your options, we're here to support and guide you every step of the way.

We welcome students from other schools to join our inclusive and aspirational sixth form community. Our curriculum is shaped around student interests and ambitions, offering a broad range of academic and vocational pathways. As part of the Foyle Learning Community, Oakgrove students benefit from access to an even wider selection of subjects, with transport provided at no cost to families. We invite you to become part of the Oakgrove journey and discover the opportunities that await.

It is essential that all students (and their parents) who apply for admission to the college in Year 13 sign, are in agreement with and committed to the aims and philosophy of Integrated Education where we endeavor to:

- ✓ *Provide students with the necessary knowledge, skills and experiences to develop their full potential and prepare them for the adult world while promoting the view that education is a worthwhile life-long process.*
- ✓ *Develop in each student a sense of responsibility, self-confidence and self-worth.*
- ✓ *Promote a caring community in which everyone is considerate, courteous and cooperative.*

OUR AIM IS THAT STUDENTS LEAVE WITH A CLEAR SET OF MORAL VALUES ON WHICH TO BASE THEIR LIVES; WE SUPPORT AND CHALLENGE THEM TO BE THE LEADERS OF TOMORROW.

*"Learning for today, achieving for tomorrow".*

**LEARN • BELIEVE • ACHIEVE • TOGETHER**
